
Island Routes Caribbean Adventure Tours Partners with Fiesta Hotel Group in Jamaica

Island Routes Caribbean Adventure Tours has announced an exciting new partnership with the Fiesta Hotel Group to offer exclusive, luxury catamaran tours to guests at the at the hotel group's two resorts in Montego Bay, Jamaica: the Grand Palladium Jamaica Resort and Spa and the Grand Palladium Lady Hamilton Resort and Spa.

"We are very excited to be teaming up with the Fiesta Hotel Group in Jamaica. This new excursion partnership brings together two companies who are committed to delivering unforgettable destination experiences and offering the best quality in every aspect of our guests' dream Caribbean vacation," says Dominique Peterkin, Vice President of Sales and Marketing for Island Routes Caribbean Adventure Tours. "Island Routes Specialists will be based at both resorts to offer our signature personal service for each booking and to see to every detail for groups and special charters."

"Island Routes' uniquely Jamaican catamaran cruises are the perfect addition to the luxury services and amenities that we offer our resort guests, their exacting level of customer service won't disappoint," says Dimitris Kosvogiannis, General Manager, Complex Grand Palladium Jamaica Lady Hamilton Resorts and Spa. "In conjunction with our destination management company Caribic Vacations, we're looking forward to expanding our relationship with Island Routes and the choice of adventure tour options for our guests."

Island Routes will open two retail desks on September 1, 2010, at the 1056-room Palladium Hotels & Resorts and The Katt, one of six state-of-the-art luxury catamarans in the Island Routes fleet, will be permanently based at the resorts. The 65' luxury vessel can accommodate up to 110 passengers and, in addition to the Island Vibes Catamaran Cruise and Lover's Rock Sunset Sail, Island Routes will offer group packages and bespoke sailings for special events including wedding receptions. A family excursion is also scheduled to debut in the Winter 2010-2011 season.
